

Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experience

Govt. Degree College Thannamandi provides an efficient platform for students to develop latest skills, knowledge, attitude, values to shape their behaviour in the correct manner. All departments conduct innovative programs which encourage the creative ability of students and offer them a platform to foster their problem-solving skills and ensure participative learning. Also, students are motivated to participate in inter college as well as national level competitions. The institute focuses on the student-centric methods of enhancing lifelong learning skills of students. This methodology helps in boosting their confidence and encouraging independence. Faculty members make efforts in making the learning activity more interactive by allowing each individual student to comprehend at their personal level by ensuring their involvement in class activities so that they can absorb and grasp information at their own pace. Feedback of the Course and teachers, given by students at the end of each semester provides an opportunity to identify any lacunae which can then be addressed.

Teachers make classes as interactive as possible and encourage innovative thought and novel interpretations. Audio- Visual methodology, Language Lab, Google Classroom, Industrial Visits, Field Work and Projects are some of the means utilize by the Institution to provide experiential and participative learning.

Internal assessments are so planned so as to encourage students to work independently. Written Assignments are required to be submitted by students and these need to be done individually by researching on the given topic so as to enhance confidence, develop writing skills and sharpen style, apart from inculcating an interest in research activities. Seminars, which form the second component of internal assessment, help students present their assignments before the entire class helping them overcome stage fear and develop oratory prowess.

Discussions and debates on contemporary issues are encouraged so that students can reflect and analyse by eliciting responses to the subject under discussion. Ability Enhancement, Generic and Skill Enhancement courses are offered to provide and prepare students for life. Non-CGPA courses include sports and arts are provided to evolve aesthetics of the students. NSS Cell and NCC sub-unit has been set-up for the students to participate, integrate and learn.

Another important initiative taken by the College is the Student representation in administration. Class Representatives (CR) of students serve as members on committees like Internal Quality Assurance Cell (IQAC), Internal Complaints Committee and Grievance Cell in order to involve them in the decision making process and maintain transparency apart from inculcating a sense of responsibility in them.
